Project Website

www.cip-bresat.eu

The screenshot shows the BRESAT project website homepage. At the top, it features the BRESAT logo and the tagline 'Helping to Address the Digital Divide Across Europe'. Below this, there is a navigation menu with options: 'Make an Enquiry', 'Select your language' (with flags for UK, France, Germany, Italy, Spain, and Greece), and a satellite icon. The main content area includes a paragraph about the challenge of broadband access in rural areas, followed by a list of navigation links: 'What will Project BRESAT produce?', 'Who is participating?', 'Upcoming events', and 'Downloads'. At the bottom, there are logos for the European Union and Avanti Communications, along with contact information and a copyright notice for 2013.

The screenshot shows the 'Downloads' section of the website. It contains the following text and links:

- Downloads**
The BRESAT project aims to provide a set of deliverables which will be of value to future EU satellite broadband aggregation schemes.
[BRESAT Dissemination Plan.pdf](#)
[BRESAT Summary of Lessons Learned.pdf](#)
- Case Studies and Lessons Learned**
Presentations from regions that have implemented a satellite broadband scheme detailing their experiences: Target of the scheme, funding approach, aggregation strategy, outcome of the scheme and key lessons learned.
[Case Study - Greece \(Hellas Sat\).pdf](#)
[Case Study - Greece \(Hellas Sat\) Additional Details CASES A and C.pdf](#)
[Case Study - Greece \(Space Hellas\).pdf](#)
[Case Study - Italy Tuscany\(MBI\).pdf](#)
[Case Study - Scotland \(Avanti\).pdf](#)
[Case Study - US \(Hughes\).pdf](#)
- Needs of Regions**
Key findings for regions that have not yet implemented a satellite broadband but would like to: Objectives and requirements of the scheme, funding, technical road-blocks and potential issues.
[Case Study - Needs of Regions - CYPRUS.pdf](#)
[Case Study - Needs of Regions - Galicia.pdf](#)
[Case Study - Needs of Regions - Region de Bretagne.pdf](#)
[Case Study - Needs of Regions - Andalucia.pdf](#)
[Case Study - Needs of Regions - Bulgaria.pdf](#)
- Satellite Capabilities Evolution**
Analysis of the expected capabilities of satellite broadband services from 2012 to 2020, showing satellite roadmap and service offerings.

LinkedIn Group

The screenshot shows the LinkedIn group page for Project BRESAT. At the top, there is a navigation bar with the LinkedIn logo and a search bar. Below the navigation bar, the group name "Project BRESAT" is displayed with a profile picture of the group. The main content area features a welcome message from Pablo Burgos Lorenzo, a Telecommunications Engineer at Avanti Communications. The message describes the BRESAT project, which is funded by the European Union's Competitiveness and Innovation Framework Programme (CIP) 2007-2013. The project aims to define guidelines for the successful deployment of high-speed broadband via satellite across EU regions to achieve 100% coverage. It also mentions the project's support for the EU Digital Agenda and its role in assisting national regional initiatives. The page includes a link to the project website (www.cip-bresat.eu) and interaction options like "Like", "Comment", "Share", "Unfollow", and "Add to Manager's Choice".

ProjectPlace

The screenshot shows the ProjectPlace web application interface. At the top, there is a navigation bar with tabs for Projects, Assignments, Shortcuts, Recent Documents, Online Meeting, Time Reporting, and Project Office. Below this is a header section for the BRESAT project, featuring the project logo, the name 'BRESAT', and a progress indicator showing '0 / 5 Done'. A timeline below the header spans from December to May. The main content area is divided into two columns. The left column, titled 'Conversations', shows a post from Pablo Burgos Lorenzo dated 20 November, 2013, addressed to '@ALL'. The post text includes information about a meeting in Toulouse, France, and mentions a draft agenda and a public website. The right column, titled 'Project Description', contains a 'WELCOME TO BRESAT' message and a detailed description of the project's objectives and funding. Above the description is a grid of member avatars, some with initials like AK, RW, DK, LC, and GJ. A search bar and navigation icons are visible at the bottom of the interface.
